						PATIENT NAME	(print):	

Dear Patient:

Thank you for choosing us as your health care provider. **The following is our Financial Policy.** Our main concern is that you receive the proper and optimal treatments needed to restore your health. Therefore, if you have any questions or concerns about our payment policies, please do not hesitate to ask our billing department. However, we would also encourage you to check your insurance policy for covered benefits for physical therapy services in an out-patient facility setting.

We ask that all patients read and sign our Financial Policy as well as complete our Patient Information Form prior to seeing the therapist.

Payment for services is due at the time services are rendered. We accept cash, checks or credit cards. We will be happy to help you process your insurance claim form for our reimbursement as long as you provide us with proper insurance information.

In special instances, we may accept assignment of insurance benefits. However, you must understand that:

- 1. Your insurance policy is a contract between you, your employer and the insurance company. We are not a party to that contract. Our relationship is with you, NOT with your insurance company.
- 2. All charges are your responsibility whether your insurance company pays or not. Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover. Again, our suggestion to you is to get familiar with what your policy covers.
- 3. Fees for non-covered services, along with co-payments are due at the time of treatment. Please note that you will be billed for deductible and/or co-insurance fees once your insurance processes your claims for <u>all</u> dates of service. You are more than welcome to make intermittent payments as you receive Explanation of Benefits (EOB's) form your insurance company. The EOB's will show the portion you owe us, the provider.
- 4. If the insurance company does not pay your claim, you may be asked to contact them to help speed things up.
- 5. If you have a work related injury and you are a member of a Preferred Provider Group, such as a PPO or an HMO, we are entitled to 100% of the normal and customary physical therapy charges upon collection of damages by the way of settlement.
- 6. Returned checks and balances older than 45 days may be subject to additional collection fees and interest charges.

IMPORTANT:

PLEASE NOTE THAT, UNLESS CANCELLED AT LEAST 24 HOURS IN ADVANCE, YOU MAY BE CHARGED FOR MISSED APPOINTMENTS AT THE RATE OF \$40.00/MISSED VISIT. Please call to re-schedule on a timely manner. Your cooperation would be much appreciated.

We understand that temporary financial problems may affect timely payment of your balance. We encourage you to communicate any such problems so that we can assist you in the management of your account.
